### **"Stories Through Art" Wisconsin Regional Arts Program (WRAP) Exhibition Showcases Wisconsin Non-Professional Artists At the Cultural Arts Center in Whitewater**

Whitewater, WI, April 3, 2024 The Whitewater Arts Alliance Whitewater, in collaboration with the Wisconsin Regional Arts Program (WRAP) is proud to present the WRAP exhibition titled "Stories Through Art," running from May 2 to May 26, 2024.

The Wisconsin Regional Art Program (WRAP), a program administered by the Association of Wisconsin Artists, has been a cornerstone of promoting art and creativity among non-professional artists since it began in 1940 as an outreach initiative of UW-Madison. Today, WRAP continues its legacy by offering over 25 art exhibitions and workshops held throughout the year, aimed at encouraging the artistic growth of individuals from rural areas across Wisconsin.

"Stories Through Art" will feature a wide range of works by non-professional Wisconsin artists, spanning various mediums including 3D sculptures, acrylic, oil, and collages. The exhibition will be accessible both in-person and online, offering art enthusiasts the opportunity to engage with the creations of talented individuals either online or in-person.

Artists interested in participating in the exhibition can visit <https://www.whitewaterarts.org/wrap-2024> for complete information and to download a submission form. The entry fee is \$30, allowing for up to three submissions. Submissions must be received no later than Monday, April 22, 2024. "Stories Through Art" embodies the essence of creativity and storytelling, inviting both artists and art enthusiasts alike to explore the narratives within each piece of art
