

The Whitewater Arts Alliance presents
DYNAMIC POURING

with Laurie Goldstein-Warren, AWS

July 7 - 9, 2023
9:00 AM - 4:00 PM

Love your subject, but what to do with the background to make it all come together? In this fun and informative workshop, you will learn pouring techniques with acrylic and watercolor using a limited palette of color. You will gain finishing tips to make your subject and background work together to blend.

Each student will work on their own subject, (portrait, floral, abstract, still life, etc.) and gain new insights and ideas for completing their painting with a dynamic impact!

Registration deadline June 11, 2023

Prices

~~Early Bird~~ for members
\$285.00
